

Affidavit

I, the undersigned

Name and surname:

born: accommodated from :

I declare that:

I do not show any symptoms of COVID-19 and I graduated

- o no later than 72 hours ago PCR test with negative result
- o at the latest 48 hours ago, an antigen test at a public sampling site with a negative result
- o vaccination against COVID-19, and at least 14 days have elapsed since the second dose of the vaccine in the case of the two-dose schedule according to the SPC, or at least 22 days but not more than 90 days unless a second dose has been given. In the case of the second dose given, at least 14 days but not more than 9 months.
- o has undergone laboratory-confirmed covid-19 disease, the isolation period has elapsed and no more than 180 days have elapsed since the first positive antigen or PCR test

Other attached confirmations :

- o confirmation from the employer that the self-test has passed with a negative result, no later than 72 hours ago.
- o a person aged 12-17 has an affidavit from his / her legal representative that he / she completed a PCR test at school no later than 72 hours ago with a negative result or not later than 48 hours self test with negative result.
- o preventive antigenic self-test on entering the premises with a negative result.

Persons can be accommodated for a maximum of 7 days, to extend their stay they must again meet the above conditions or undergo a preventive antigen test to determine the presence of SARS-CoV-2 virus, which is intended for self-testing or approved by the Ministry of Health for use by a lay person, with negative result.

I am aware of the legal consequences of a false affidavit and the crime of spreading a contagious disease.
